

ESOPUS 14: PROJECTS

SPECIAL ISSUE

The 14th issue of the award-winning arts publication *Esopus* is composed entirely of 12 artists' projects created by both established figures like John Baldessari, Judy Pfaff, Roxy Paine, and Kerry James Marshall and emerging talents such as Barbara Probst, John O'Connor, Juri Morioka, Marcia Kure, Suzanne Bocanegra, Erica Allen, Jared Flood, and Fernando Santangelo. The publication's largest issue ever, *Esopus 14: Projects* features 10 different paper stocks, 6 foldouts, a 25" x 34" poster, and 30 removable inserts. And as always, the magazine closes with a themed CD, this time featuring songs inspired by (and named after) visual artists by Doveman, Sharon Van Etten, PS I Love You, Au Revoir Simone's Erika Spring Forster, I Was a King, Tim Fite, and six other musical acts.
